# Potential Impact

- Maa Sharada Hospitals is the only high-end centre providing emergency & ICU services in the district of Vikarabad with 2 lakh population
- It will significantly contribute to many lives from rural and tribal areas of Vikarabad district and other adjacent regions
- It will minimise the need for patients to travel to Hyderabad for surgical and emergency services
- It will potentially make huge savings for poor, low to middle class general public of the district by eliminating the exploitation faced in private hospitals in the city
